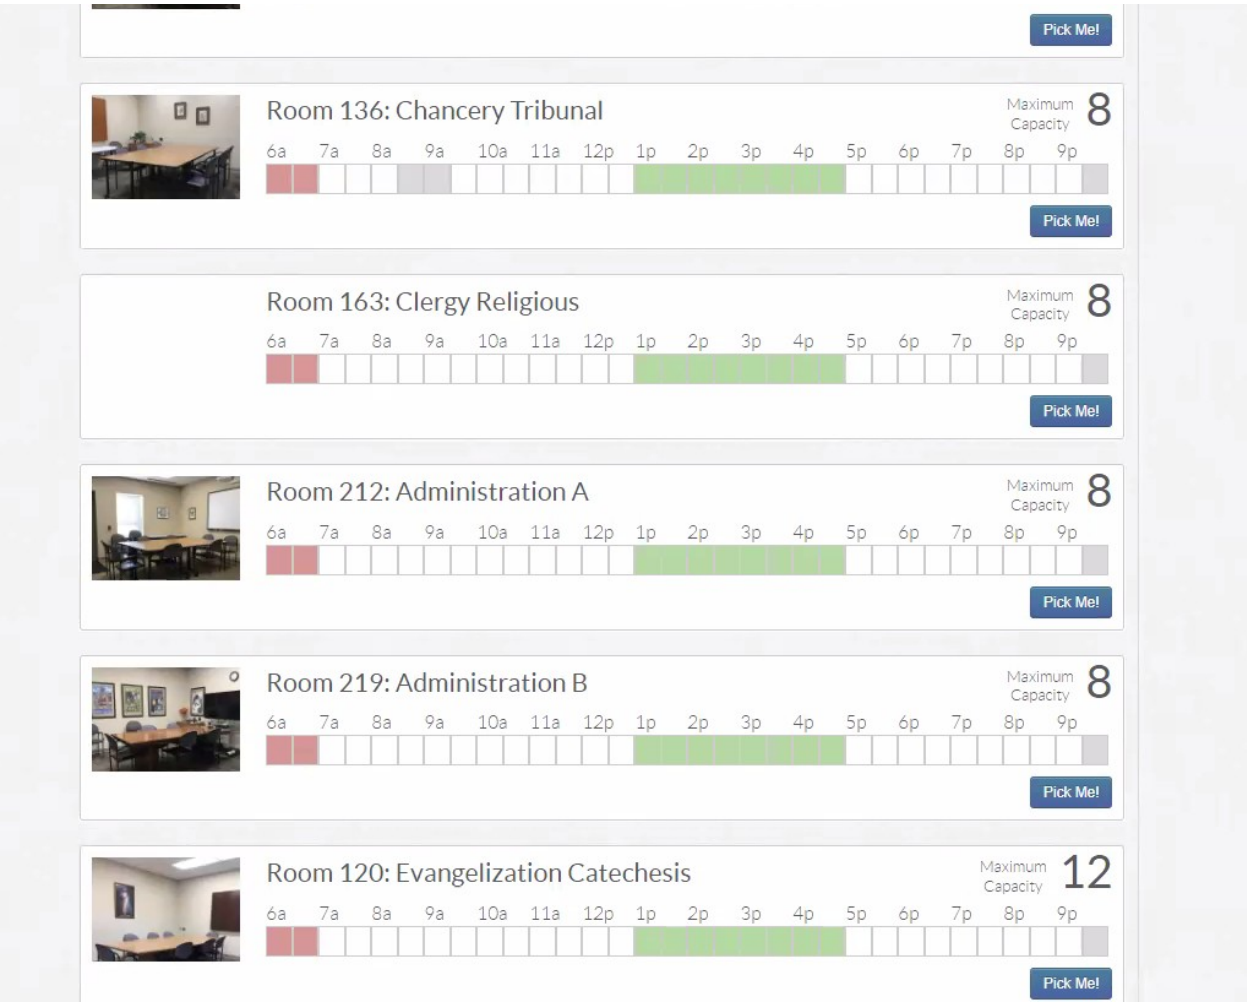
Room 119: Faith
Maximum Capacity 8
Pick Me!



Tom has a server there we could use.

Tom will send me an invitation to try out the software.

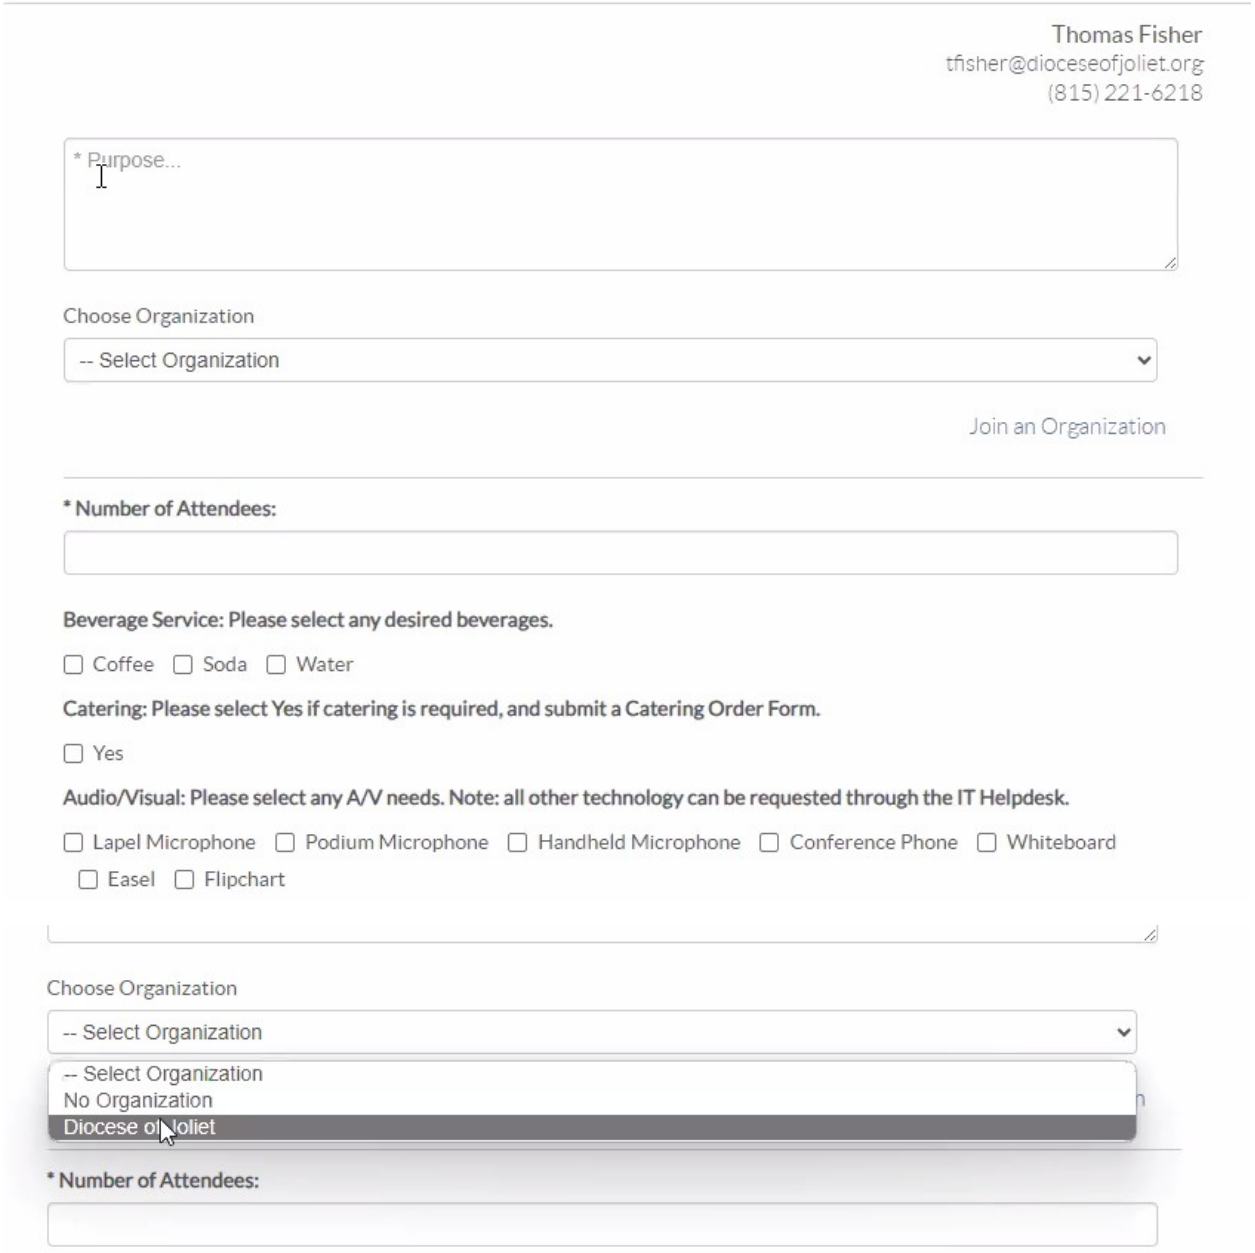
We agreed to use Python+Flask

Michael will take future credit in 492, 498, or 499

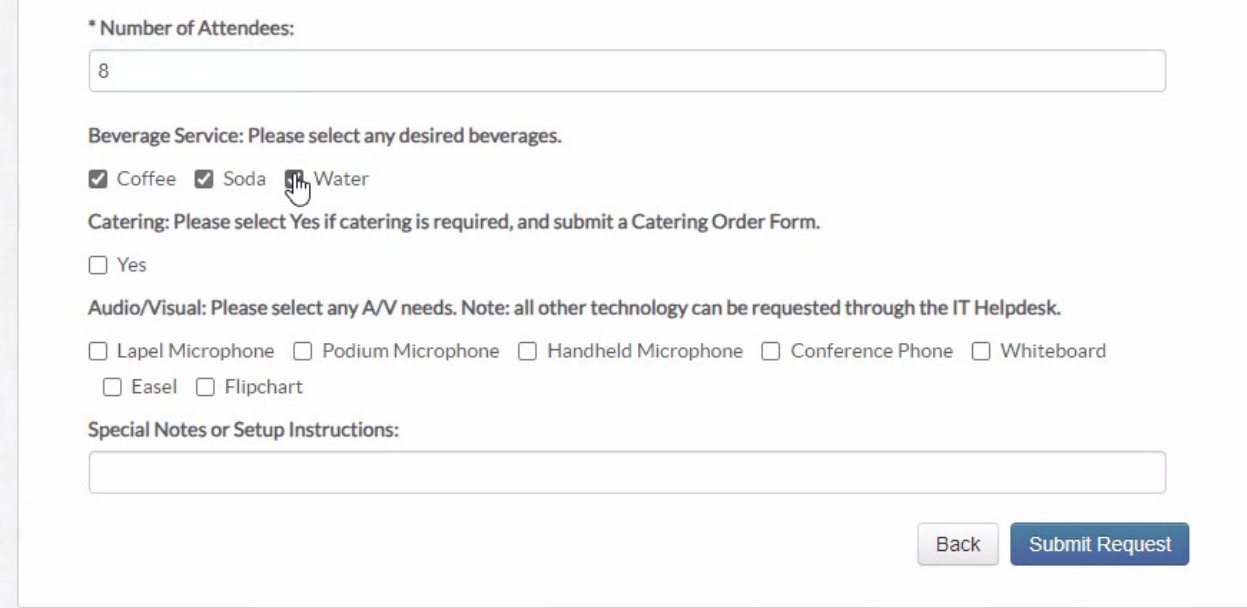
Jahi will take future credit in 498 or 499

Chris will take future credit in 492

We will communicate via Discord: • Discord | #general | Diocese Project



(they have Catholic Charities there as an org too)



Request goes to Jessica. Jessica's group approves it.

Jessica has an approve / deny button – can explain why she's denying

Can't request a room if someone already has reserved it.

Include a catering form in the new app? That would be great.

Reserving AV – needs to talk about it.

Might want a space for promotional needs – looking for a project management software for events.

Jessica would like to see who has rooms reserved so that they can see if someone else reserved it. She want's the full view for everyone
